<sup>1</sup> The research team wishes to thank Dr Nikitas Lionarakis, Chairman of the NGO Liaison Office of the Ministry of Foreign Affairs, for his extended interview offered to our team on NGOs, SMOs and MACs in Greece, and also for research material which is invaluable for subsequent phases of the project. We are also very grateful to Dr Kostas Rondos, director of Censuses of the National Statistical Service of Greece, for the plentiful material on the development of Greek towns, which he kindly offered us.
